
2017 – Marie and Brandon’s Tip (:30)

A TIP FROM A FORMER SMOKER

Marie’s Voice:

It began with my big toe. That was my first amputation that I had.

Brandon’s Voice:

Buerger’s disease, it’s a vascular disease brought on by smoking.

Marie’s Voice:

My fingers started to go, piece by piece.

Brandon’s Voice:

First, it was my left leg. After my left leg, it was my right leg.
And so now I’m a double amputee, all from smoking.

Marie’s Voice:

My tip to everyone is: Don’t believe that this can’t happen to you, because it can.

Announcer:

Smoking causes immediate damage to your body.
