## 2013 - Terrie's Voice Tip (:60 Radio)

### A TIP FROM A FORMER SMOKER

#### Terrie's Voice:

I'm Terrie. Smoking gave me cancer. If you're a smoker I have a tip for you. Make a recording of yourself now before you have your voice box removed. Read your children a story book or sing a lullaby. I wish I had done that. The only voice my grandsons ever heard is this one.

*"The wheels on the bus go round-and-round, round-and-round, round-and-round.  
The wheels on the bus go round-and-round, all through the town."*

#### Announcer:

Smoking causes immediate damage to your body.

YOU CAN QUIT, for free help, call 1-800-QUIT-NOW.

A message from the U.S. Department of Health and Human Services and CDC.
